

# What to Bring to the Hospital

We recommend that all items be kept at home except for those listed below. You are responsible for the items brought to the hospital and the hospital is not responsible for any loss or damage to your personal property.

## Things to Bring:

- Photo ID
- Medical Insurance Card
- Cell Phone and Charger
- Assistive Devices
  - Glasses, hearing aids, dentures, canes, walkers, etc.
- List of Medications
  - Include dose, frequency, and when you last took them
- List of Allergies

## Do Not Bring:

Cash, Valuables (jewelry, watches, credit cards, checkbooks), electronics, (laptops, tablets), toiletries, electrical items (hair styling tools, heating pads), additional clothing, weapons, illegal drugs, medication or loose pills (unless advised by your care team)

## Reminders:

- Our cafeterias and gift shops accept Apple Pay and Android Pay
- Extra clothing is not necessary as you will be in your hospital gown while here
- Our Patient Experience department has iPads for your use upon request
- All medications will be available and dispensed by the hospital pharmacy
- Label contact info on your personal items to prevent them from getting lost
